Here's How to Play!

1. Slide the Off/Low/High switch to turn on Poingo and adjust the volume.
2. To begin using the book, follow this two-step process: First touch the poingo START logo on the title page. Then touch Disney Magical World on the title page.
3. If you hear a double beep, Poingo might not be loaded with the content you are trying to use. Visit the Web site **www.myPoingo.com** to download additional content.
4. Explore each page with Poingo to hear text read aloud, enjoy music and sound effects, and play games.
5. To turn off Poingo, slide the Off/Low/High switch to the Off position.
6. If Poingo is not in use, it will go to sleep automatically. To wake it up, move the volume control switch from Low to High or vice versa.
7. Poingo remembers which book you used last. To use a different book, touch the Poingo logo and the story title on that book's title page.

Troubleshooting

- Poingo warns you with a single beep if it is about to go to sleep. Touch the page with Poingo to keep it from shutting down.
- If you hear a double beep:
  - Is the LED blinking? If so, the batteries are low.
  - You may need to let Poingo know which book you are using. Touch the Poingo logo and the story title on the title page.
  - Poingo might not be loaded with the content you are trying to use. Visit the Web site **www.myPoingo.com** to download additional content.
  - You may need to replace the batteries.
- To reset Poingo, use a thin wire to press the recessed Reset button.

Battery Installation

1. Open battery door with small flat-head or Phillips screwdriver.
2. Install new batteries according to +/– polarity. If batteries are not installed properly, the device will not function.
3. Replace battery door; secure with small screw.

Battery Safety

Batteries must be replaced by adults only. Properly dispose of used batteries. See battery manufacturer for disposal recommendations. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Do not mix old and new batteries. Only recommended batteries of the same or equivalent type should be used. Remove weakened or dead batteries. Never short-circuit the supply terminals. Non-rechargeable batteries are not to be recharged. Rechargeable batteries are to be removed from device before being charged. Rechargeable batteries are to be charged under adult supervision. If batteries are swallowed, in the USA, promptly see a doctor and have the doctor phone (202) 625-3333 collect. In other countries, have the doctor call your local poison control center. The electrostatic discharge may interfere with the sound module. If this occurs, please simply restart the sound module by pressing any key.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
